IMPORTANT NOTES

- (1) The requirement to notify the Monitoring Officer of a disclosable pecuniary interest applies not only to your own interests but also those of your husband/wife/civil partner, or a person with whom you are living as husband/wife or as if you are civil partners, where you are aware that the other person has the interest. Provided all interests are notified you do not need to specify which of the interests are your own and which are those of a relevant person.

The term 'relevant person' therefore means you and any other person referred to above.

- (2) Details of your notified interests will appear in the Members' Register of Interests and will be published on the Council's website, and open to public inspection.
- (3) If you consider that the disclosure of the details of any of your interests could lead to you, or a person connected with you, being subject to violent or intimidation, and you would like to withhold these details from the register of interests, please provide this information to the Monitoring Officer and explain your concerns regarding the disclosure of the sensitive information, including why it is likely to create such a risk. If the Monitoring Officer agrees, the information will not be included in copies of the register made available for inspection, or any published version of the register.

Part H: Declarations

IMPORTANT

It is a criminal offence to fail to notify the monitoring officer of any disclosable pecuniary interests (DPIs). This requirement arises in each of the following circumstances:

- (a) before the end of 28 days beginning with the day on which you become a member or co-opted member of the authority (s30(1) Localism Act 2011);
- (b) where the DPI is not entered in the authority's register and is not the subject of a pending notification, but is disclosed at a meeting of the authority (or any committee, sub-committee, joint committee or joint sub-committee) as required by s31(2) of the Localism Act, before the end of 28 days beginning with the date of the disclosure at the meeting (s31(3) Localism Act 2011);
- (c) where the DPI is not entered in the authority's register and is not the subject of a pending notification, before the end of 28 days beginning with the date when you become aware that you have a DPI in any matter to be dealt with, or being dealt with, by you acting alone in the course of discharging a function of the authority (s31(7) Localism Act 2011)).

It is also a criminal offence to knowingly provide information that is false or misleading (or being reckless as to whether the information is true and not misleading)

In addition to the above, the Council has adopted a Code of Conduct for Members which requires you to notify the Monitoring Officer of any DPIs before the end of 28 days beginning with the day on which the Code takes effect. In the interests of transparency, it would also require declaration of DPIs at meetings even where they have been registered. Failure to comply with these requirements would not be a criminal offence but would be a breach of the code of conduct.

To the best of my knowledge, the information given in this form is complete and correct.
